Professional Summary

I'm a Graphic Designer with 1.5+ years of agency experience in branding, advertising, social media, packaging, and print design. I create clear and engaging visuals for different brands and platforms.

Work Experience

Graphic Designer — Bevis, Coimbatore

April 2025 – August 2026

- Created 100+ social media posts, ad creatives, and marketing materials for different brands.
- Used AI tools like Adobe Firefly, Seedream, ChatGPT, and Gemini to explore ideas and speed up creative production.
- Worked on product and jewellery visuals, photo retouching, and image compositing for marketing and e-commerce.
- Worked across diverse client including Bakers International, Pavizham Jewellers, Bro Knows Tech, The Loft, Siggis, Woneten, and Zen Spaces, producing digital campaigns, print communication, product visuals, packaging, and brand assets. Managed 3–5 projects at a time while meeting deadlines and maintaining brand quality.
